

1 UNITED STATES DISTRICT COURT
2 DISTRICT OF NEVADA

3 ***

4
5 SHFL ENTERTAINMENT, INC.,

6 Plaintiff,

7 vs.

8 DIGIDEAL CORPORATION,

9 Defendant.

2:12-cv-01782-GMN-VCF
ORDER LIFTING STAY

10 Before the court is Plaintiff's Motion to Lift Stay (#117) and Defendant's Response (#118). On
11 April 17, 2014, the court ordered a stay of these proceedings (#101), pursuant to the stipulation of the
12 parties (#100). The U. S. Patent and Trademark Office has completed the reexaminations of asserted
13 patents requested by the defendant. The parties agree that the stay should be lifted.

14 Plaintiff maintains, however, that "this case is now ready to proceed where it left off . . .", (#117,
15 p.2), while defendant maintains that "import of SHFL's reexamined and reissued patents-in-issue"
16 requires refocusing of the litigation. Defendant argues that, rather than proceeding with the case where it
17 left off at the time of the stay, the litigation should now focus on, "a dispositive adjudication of this matter
18 in favor of DigiDeal precisely because every one of the allegations of patent infringement leveled by
19 SHFL against DigiDeal are defunct." (#118 at p.1 and p.2).

20 Accordingly,

21 IT IS HEREBY ORDERED that the Motion to Lift Stay (#117) is GRANTED.

22 IT IS FURTHER ORDERED that an appropriate request for dispositive adjudication based on
23 the results of the reexamination of the patents-in-issue must be filed on or before on or before January 8,
24 2016, to be briefed in the ordinary course.
25

1 If such a dispositive motion is filed, and fully briefed, the court will then decide that motion and,
2 if appropriate, enter its Claim Construction Order.

3 IT IS FURTHER ORDERED that within 30 days of entry of a Claims Construction Order, the
4 parties must file a stipulation, in accordance with LR 16.1, setting forth deadlines, to the extent possible,
5 for completing: (1) Proposed dates for a Post-claim construction settlement conference by Magistrate
6 Judge, (2) Close of fact discovery, (3) Opening expert reports, (4) Interim status report, (5) Rebuttal
7 expert reports, (6) Close of expert discovery, (7) Last day to file dispositive motions, (8) Joint pretrial
8 order, and (9) Proposed dates for a Pretrial settlement conference.

9
10 DATED this 18th day of December, 2015.
